

3<sup>rd</sup> June 2015

Dear Jia-haur Liang,

**Conference Panelist - Stepping Up: 14th Australian Ceramics Triennale 2015**

Thank you for your submission for Stepping Up: the 14<sup>th</sup> Australian Ceramics Triennale 2015. As you are aware, Canberra has been selected to host the 14th Australian Ceramics Triennale in 2015, the premier national forum for ceramics in Australia. The event attracts leading national and international industry leaders, ceramics practitioners, educators, collectors, critics and cultural theorists and will engage with the Canberra community through exciting and diverse programs and cultural approaches.

The Stepping Up steering committee has carefully considered all the received applications. It was a valuable opportunity for the committee to view the diversity of current ceramic practices and professionals working within the sector. **We are very pleased to inform you that your submission has been successful.**

We remind you that funding for travel, accommodation, and participation fees is currently not available. However, the committee is actively seeking funding opportunities and will contact you if the situation changes.

The committee has also secured space for an exhibition of delegates' work, for which there will an opening event during the conference. Please be prepared to bring with you a piece of your artwork for inclusion in this exhibition. We will be in touch next year regarding the details of this.

**We congratulate you and will be delighted if you are able to accept our invitation to participate.**

Cathy Franz  
Committee Member  
Stepping Up: Australian Ceramics Triennale
