## Invitation letter

Dear Mr Jia- Haur Liang

The 47th General Assembly of the International Academy of Ceramics will take place from the 12-16<sup>th</sup> of September 2016 at the Design Hub in Barcelona, Spain.

This meeting is a major event for the international ceramic scene in terms of networking, cultural exchange and ceramic promotion.

Being a Taiwanese member of the IAC it would be wonderful if you could represent Taiwan at this conference and take part at such a significant event.

The IAC would be honoured to welcome you at the opening as this is a wonderful opportunity not only to meet the Spanish and international public but furthermore to exchange with curators, writers, collectors and a great number of international artists and to promote the art and artists of your country at this occasion.

Please don't hesitate to contact me if you need further information –I will be glad to assist where I can.

Sincerely Yours,

Anja Seiler  
IAC Head Coordinator
